

Introducing the...

Original Hockey Lace Belt

- Made from genuine 'Tex-Style' brand hockey laces.
- Laces are sewn onto a soft cotton backing to add strength and rigidity to the belt.
- Comes in the 3 classic hockey skate lace colours; white, black, yellow.
- One size fits all as the belt is made to be; easily detached from the buckle, cut to size by the customer, and then clamped back into the buckle before attaching around the customer's waist.
- Belt will fit waist sizes up to 42".
- Military style buckle clamps down on the belt - eliminating the need for holes in the belt or a pin to secure it to size.
- The buckle and tag piece are made from brushed nickel with the design slightly raised off the surface.
- Belt is packaged in a 4" x 4" 'clearpak' box with a hang tag for easy display.
- Ideal for hockey players and non-players alike.
